echo

Echo has an autolock umbrella closing system making it ultra-compact

Handles with practical "soft touch" handgrip making it easy and effortless to push.

Wheels customised with the Echo logo

Echo is a stroller designed to meet the demands of dynamic mums searching for a modern stylish product, with attractive colours, that is practical and user-friendly for everyday use when out and about with their baby. Attention has been paid to every single detail. The embroidered seat, the look of the wheels customised with the Echo logo, the coloured rear tubes, and the tone-on-tone details combine to enhance the pop image of this stroller

The seat is spacious and the padded backrest can be unadjusted single-handed to four different positions. Extra comfort is also guaranteed by the padded shoulder straps. The structure is lightweight and ultra-compact when closed. The handle makes it practical and easy to carry around when closed.
